## **A rip-roaring pirate romance and mystery**

In a world where infants with magical powers are torn from their parents to be raised by the mysterious and powerful Danisoba, who have a monopoly on magic, Kestrel has managed to keep her abilities concealed—and herself free. First hiding in back alleys as a street urchin, she hid when they killed her parents, and then served as a young tavern maid before escaping to sea, where magic is cancelled by water.

Now an adult, as the quartermaster of a pirate ship, Kestrel loves the freedom of living on the seas. But her way of life could end if anyone on board learns her closely guarded secret—that she has magical control over the wind.

One day a black ship appears, and her life changes. Its captain is a handsome rogue of whom Kestrel is strangely, constantly aware.

When Kestrel's captain is led into a trap and is arrested, she gathers her crew and sets sail in relentless pursuit. . . .
