Medal of Valor Firefighters Michael Middleton

Medal of Honor Firefighters details extraordinary acts of bravery by firefighters who risked their lives to save others. While paying appropriate tribute to the heroic actions of NY firefighters who lost their lives 9/11, the stories illustrate exceptional acts by other professional firefighters, volunteer firefighters, and wilderness firefighters.

Focusing on the most courageous firefighters--those who have been decorated for heroism—Medal of Valor Firefighters presents the extraordinarily rich and rugged voices of men and women who fight urban building fires, who battle sweeping forest fires, who perform emergency rescues, and who face extreme danger and risk as part of their everyday lives
