One Is a Drummer: A Book of Numbers Roseanne Thong

This lively ebook shows that the world around us is filled with things to count. Three are the dim sum carts filled with yummy treats, eight are the candles on a birthday cake, and ten are the bamboo stalks growing in a garden. Many of the featured objects are Asian in origin, but all are universal in appeal. With brilliantly colored illustrations, an ear-pleasing text and an informative glossary, this truly multicultural book will make counting a fun part of every child's day! Plus, this is the fixed format version, which looks almost identical to the print edition.
