Tracking From the Ground Up Sandy Ganz, Susan Boyd

This book contains step by step lesson plans, personal tracking experiences and actual problem prevention and solving. The basic training philosophy provides the opportunity for the dog to be accurate and well motivated in his work while both he & the handler enjoy tracking together. It will help prepare the tracker for TD and TDX tests. This is one of the best books we have for training AKC tracking because it's easy to read and follow -- it works!
