A least one out of every three women and one out of every six men have experienced some form of sexual abuse. Regardless of the circumstances of the violation, every survivor can attest that it will impact relationships with parents, friends, spouses, children, and God. Sexual abuse survivors are often left feeling isolated and without anyone to trust. But it does not have to be this way.

As a survivor herself, Nicole offers readers the power and hope necessary to share their story, build intimacy, and develop healthy communication in all their relationships.
