The author of the bestselling *Please Daddy No* reveals more harrowing experiences of his neglected childhood.

Having survived the terrible abuse at the hands of his stepfather, Stuart has to reach within himself again to live through the degradation of prison. He is released back into the world without any support or counselling from the authorities.

The child abuse and numerous court cases had almost destroyed him, and Stuart became reliant on drugs and alcohol. With his life spiralling out of control, Stuart attempts suicide a number of times. The last try leaving the doctors that resuscitated him incredulous he had survived.

At the point of no-return, Stuart was sent to an hospital in the Scottish highlands to fight the demons that assailed him and rebuild his life. This is the remarkable story of his fight to be his own man.
