Forbidden to cross the Elvin barrier into human lands, Brock cannot sate his curiosity. Cursed by a vampire bite that forces him to feed on the life-essence of others, he is unable to touch another without taking their life. Chained by prophesy, he must find a witch, pierce her heart, and draw her blood for his cure.

Celeste must escape the monks who have held her prisoner for years. Her magic has been kept dormant by her captors. An ancient powerful Warlock craves her powers. If he succeeds in devouring her magic, she and the world will die.

When Brock falls in love with Celeste before realizing her demise is his cure, will love triumph over his desire to be healed? Will he risk everything to save her from a Warlock, an oath breaker, who also wants her dead?
