The Wanderer's Tale: Annals of Lindormyn 1 (The Annals of Lindormyn) David Bilsborough

Many generations ago was destroyed the arctic stronghold of Drauglir. Five hundred years later, rumours spread of the evil demigod's second coming, with terrible consequences for the world of Lindormyn. In the remote northern town of Nordwas a ramshackle group is assembled by the ambitious warrior Nibulus, under the guidance of a mage-priest, to set off on the long and perilous journey back to Melhus to ensure that Drauglir is properly despatched this time round.

This quest includes two foreign mercenaries, three bickering priests, a young esquire . . . and, last but not least, Bolldhe the unsociable 'wanderer'. Their eventful progress through a desolate terrain embroils them regularly with a wide array of races, creatures, giants and sorcerers – and with terrifying adventures which will affect each of them differently.
