This neat little book takes 30 key incidents from his illustrious life to teach today's leaders how to be a great leader. Alexander was the incredible leader who became king when he was 20 years old. By 23, he had defeated his nation's greatest enemy, and by age 25, he had conquered 90 per cent of the known world creating an empire sprawling from Greece to India. This book shows managers that if you can change the way you think about a problem, you can find a creative and successful solution.
